Re: Application of R&E Car Service LLC for a Class C (Charter) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier - Request for Waiver or Exemption Regarding Vehicle ID Markings  
**Docket No. 1994-354-T; Docket No. 2015-39-T**

Dear Ms. Boyd:

Because ORS Transportation Inspectors cannot easily identify whether vehicles such as passenger vans or other non-prestige vehicles are personal vehicles or for-hire Class C Charter vehicles if the vehicles are not marked or identified as required by 10 S.C. Code Ann. Regs. 103-153, placarding of Class C Charter vehicles remains important. The 2015 Toyota Sienna mini-van identified by R&E Car Service LLC in its request for waiver or exemption of the placarding regulation does not meet the Commission's definition of a "prestige" vehicle.

Sincerely,

  
Jeffrey M. Nelson
